SCRAPPY SPEAKS . . .

Hello! I'm Scrappy!

Maybe you don't remember me, but I've been around Tivy a long time, in fact since 1936. So you see, I've gotten to know each of you pretty well. All the years have been fun, but I've paid particular attention to the events of 1951.

I've sat with you in your classes, I've yelled with you at your games, and I've thrilled with you at your formals. During all these years I feel like I've really become a part of you and of Tivy.

So that we can look back on these memories years from now, I've collected some of the pictures of people and events that I thought you would like to remember, and I've placed them in this memory book. Now, let's reminisce for awhile as you follow me through the pages of this 1951 Antler.

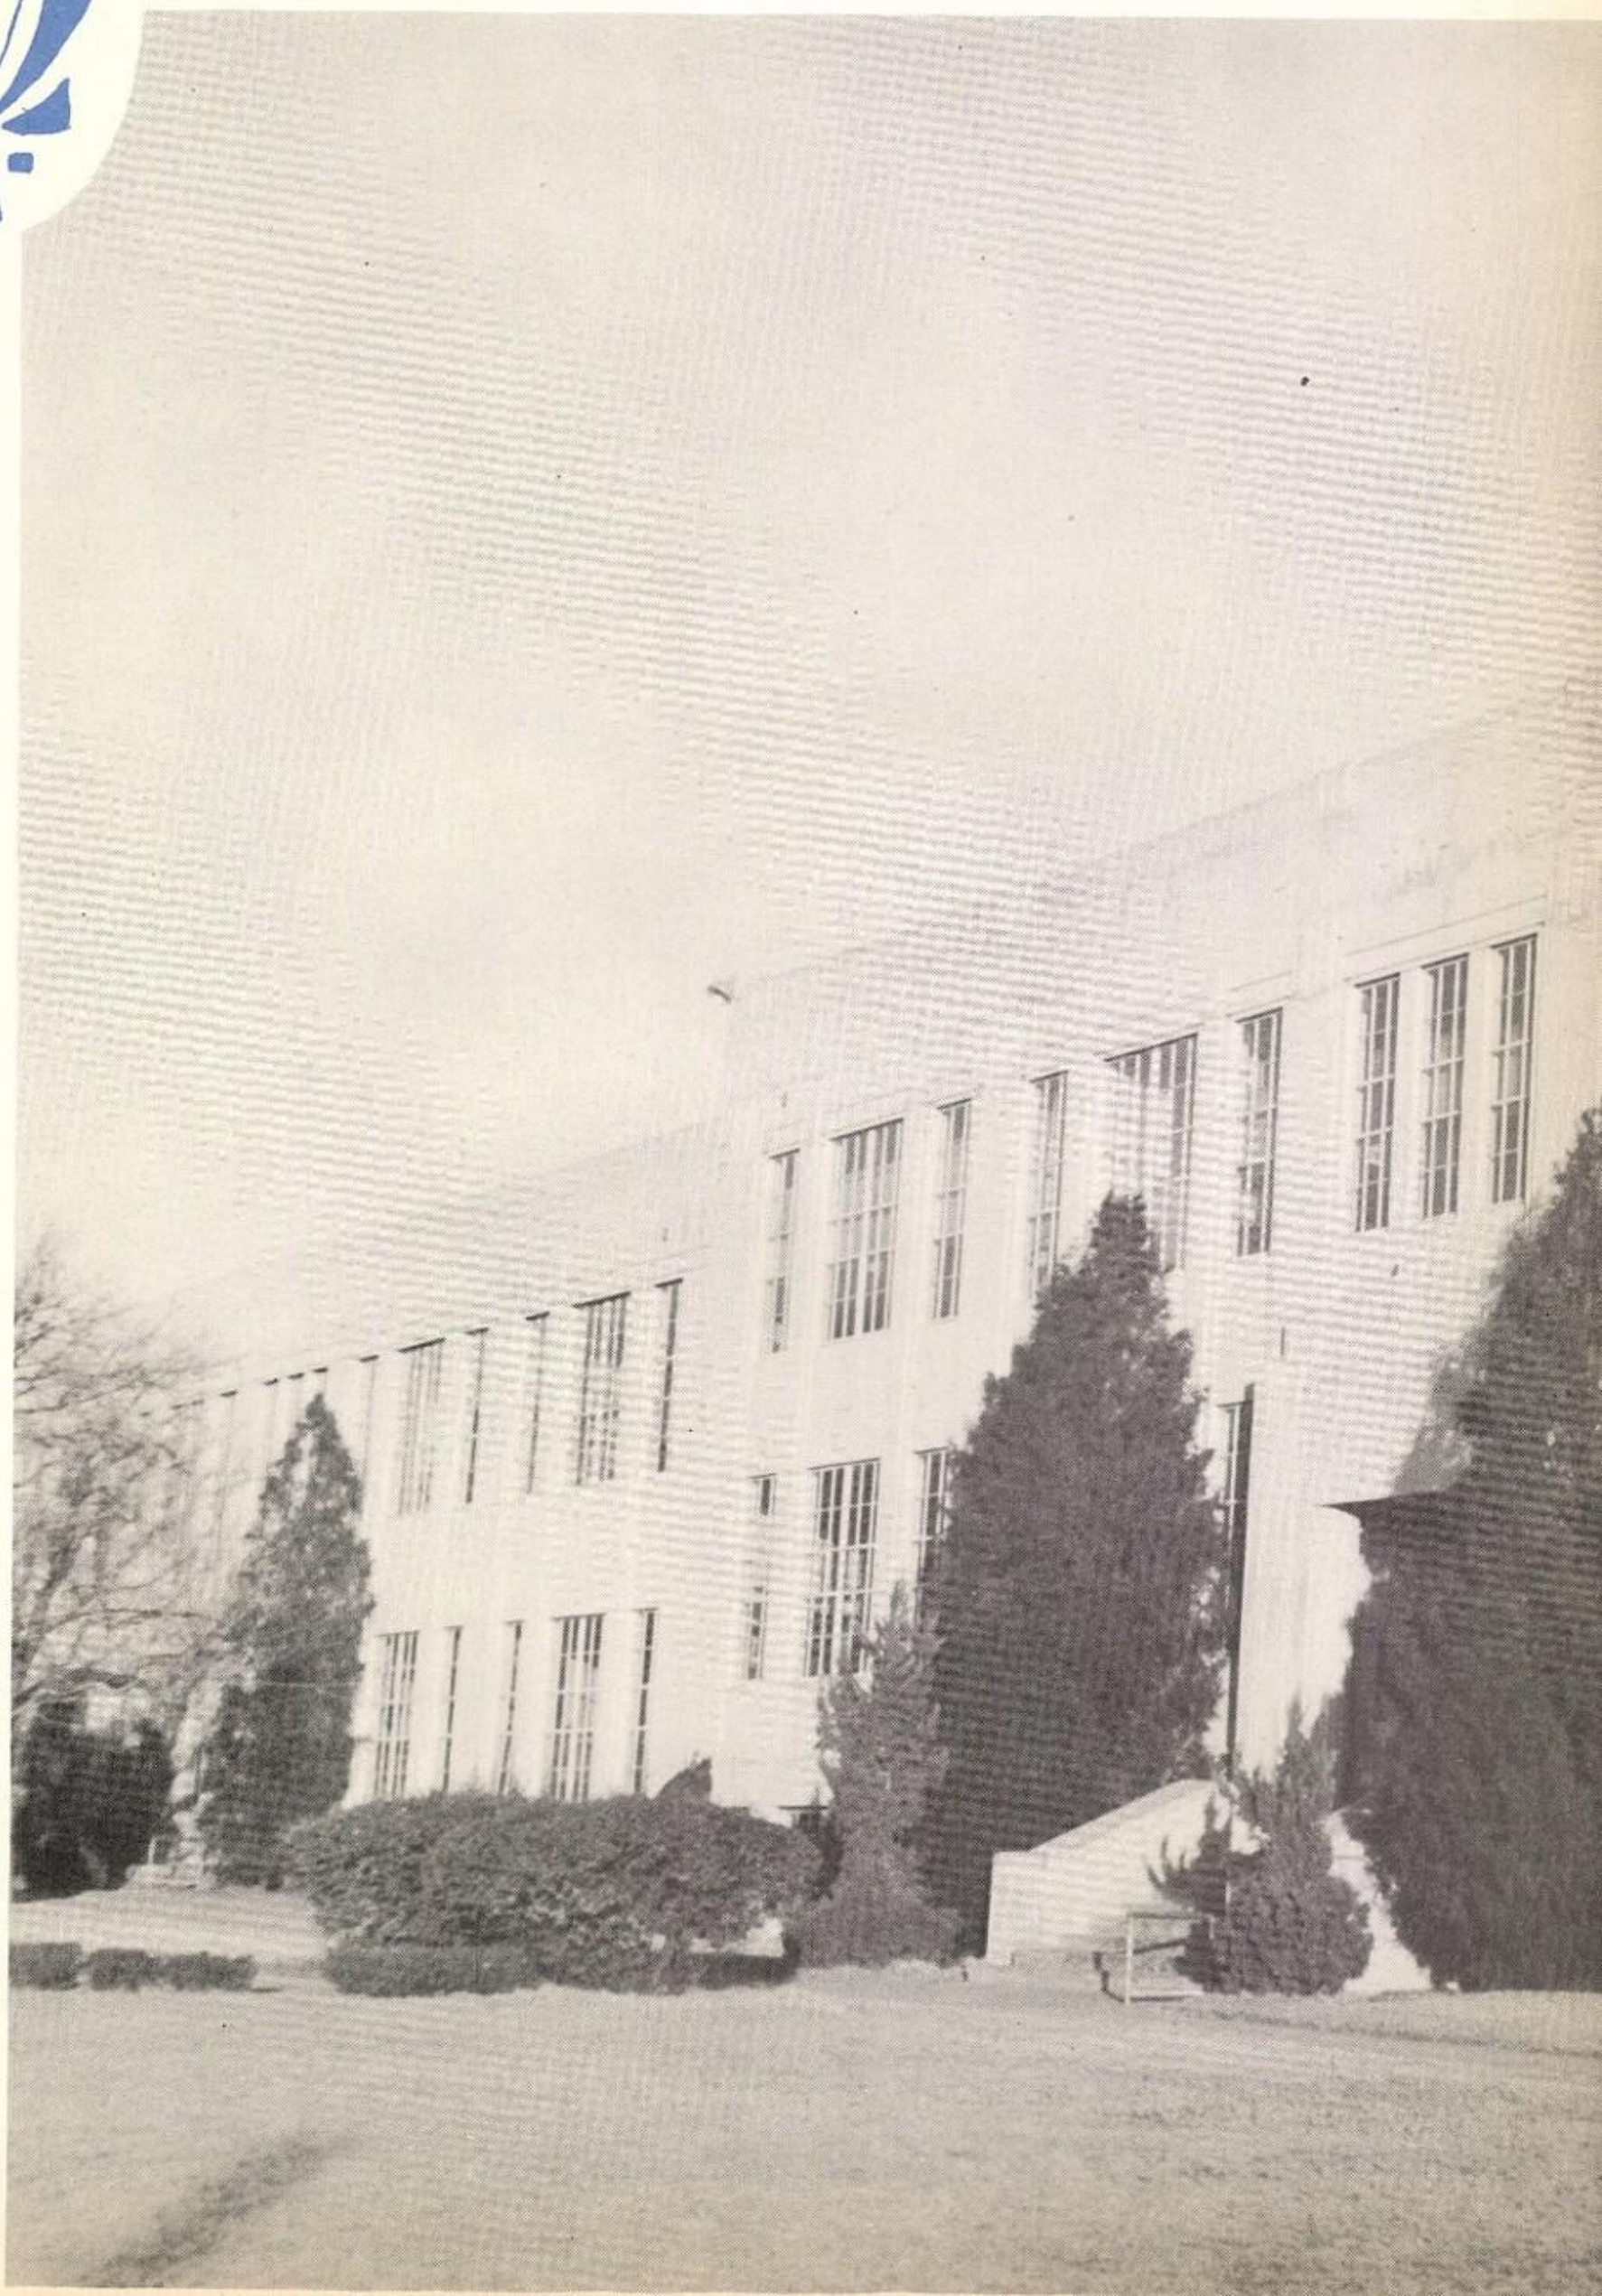

IN

HONOR OF

We, the Antler Staff of 1951, feel that the Antler could not be dedicated to a more deserving person than our sponsor. Because she has been an inspiration to our better work; because she has wisely advised and counseled us through many years of close association; because we love her as a friend and admire her as the personification of all that is beautiful and friendly and fair, we of the Staff affectionally dedicate the 1951 edition of the Antler to our sponsor, MRS. JOHN WAGNER, JR.

An Open Letter to the Student Body of Tivy High School

It has been my good fortune, since becoming Superintendent of the Kerrville Public Schools, to have been associated with the finest student body of my teaching career.

Your loyalty to our school and your enthusiasm in carrying out the many school activities, have made my position both pleasant and profitable. Pleasant in that I consider each and every one of you my personal friend, and profitable because of the results obtained in the educational tasks that are before us.

Your pride in our school and the democracy that you practice as a result of your strong student government have already made you good citizens that can graduate into the world without fear of bewilderment. High school of education is by far the most important part of your educational life, and it is the sincere hope of the administration and faculty that our pleasant relations and good fellowship will continue to grow in the future as they have in the past.

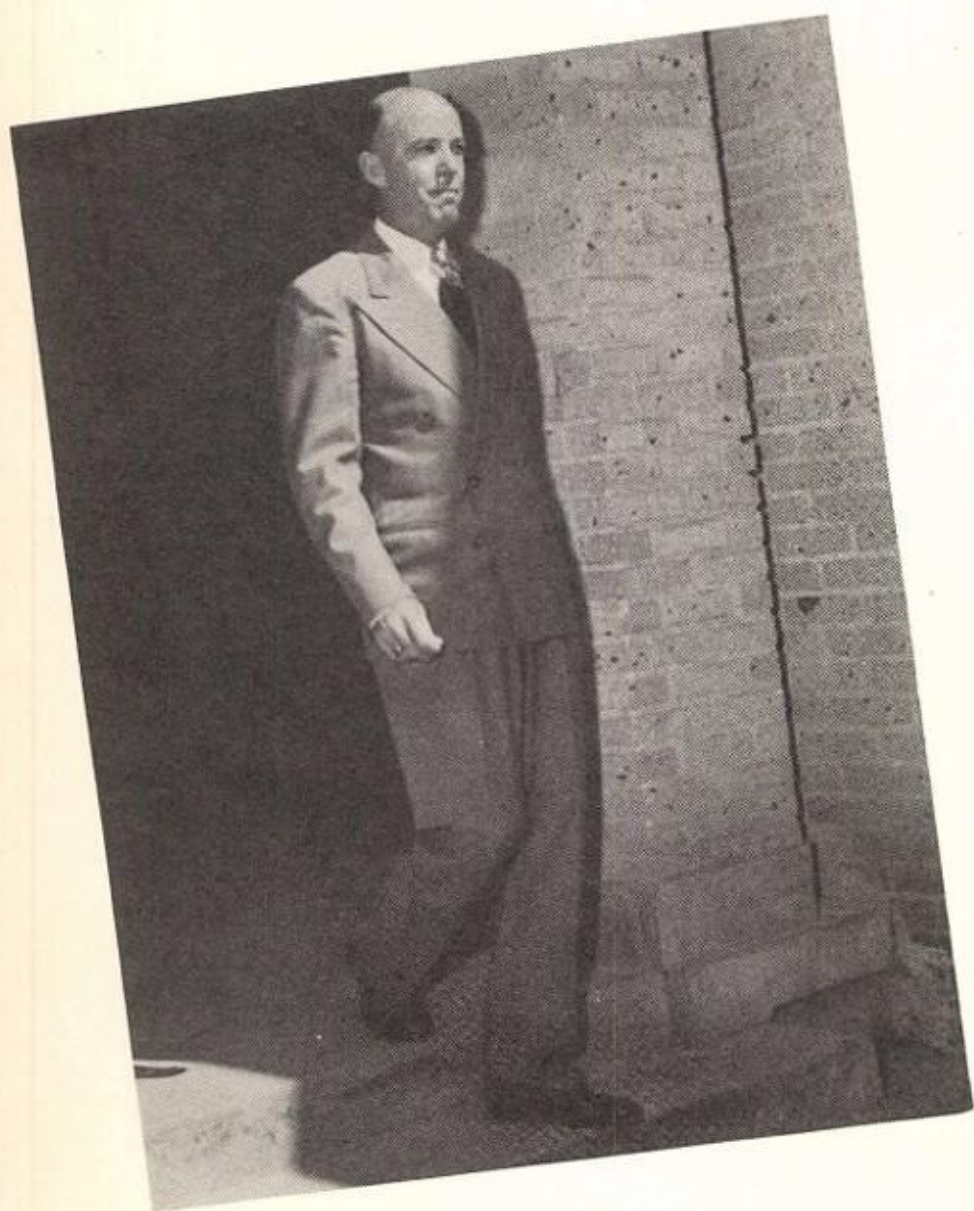

Sincerely

E. L. Wildman

A DAY IN THE LIFE OF A TIVY STUDENT

Ho! Hum! Can it really be time to get up?

A quick glance in the mirror and a few strokes of the brush before breakfast.

A piece of toast, a cup of coffee, and the day has begun.

Arrival at school is spiced up by a chat with a classmate.

You can be sure of an early morning chat at the locker.

You have to listen closely to those class lectures.

Time out for the meal that refreshes in the cafeteria.

Bright sunny days mean tennis matches in P. E. class.

That's all for today, so we leave this institution of learning.

Time out for a snack at the local drive-in.

The day doesn't seem complete without a coke at the drug store.

"You'll pick me up at 8:00 - ? I'll see you then!"

And so good nite. As the day draws to a close, our typical student says good-night to her date.

For an evening of entertainment, Teen Tavern is the spot.

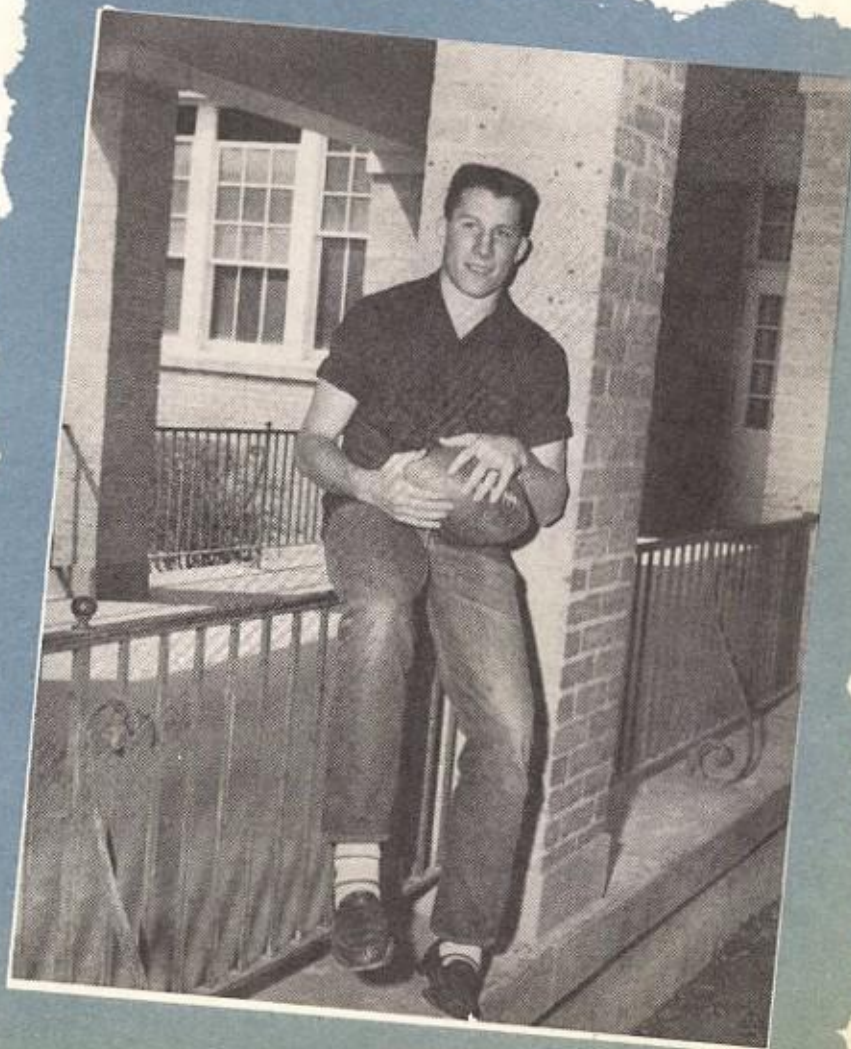

THEY EXCELL

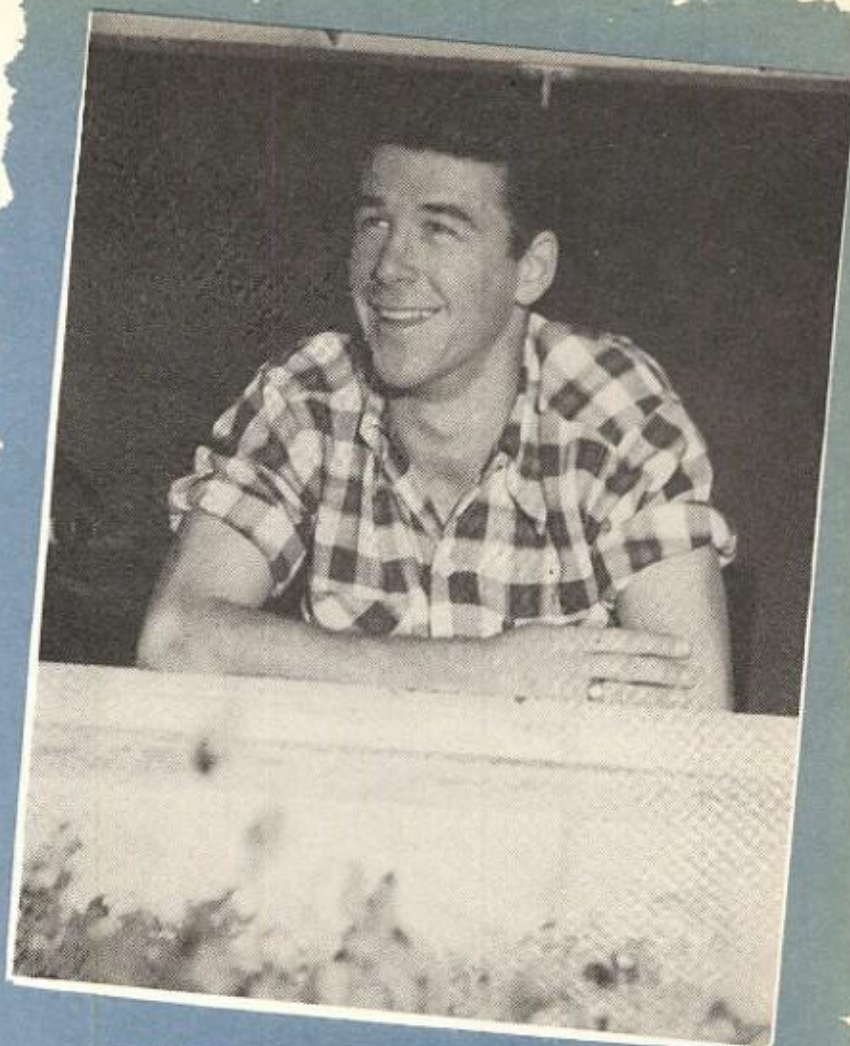

(Top right) The highest honor which our school presents is the title of Student of the Year. This award is given to the student whose activities total the greatest number of points. This year our award goes to **FRANCES REMSCHEL**. With her pleasing personality and smile, she is a familiar sight around Tivy. As Tivy's best all-around girl, she has many accomplishments. She is editor of the Antler and president of the G. A. A. She lettered in tennis last year and had the outstanding role in "Tish". In addition, she is a member of the N. H. S. and the Antlerettes.

(Lower left) One of the most important jobs in school, president of the Student Council, is **LAYTON GOLEMON'S** responsibility. He is a member of the N. H. S., and his athletic ability has been rewarded by two letters in basketball and two in football. He was the co-captain of the '50 football team, and made both the All-District and the All-State teams for this sport.

(Lower right) Whether we're at a football game, at a formal, or at a class meeting, we can be sure that **MORRIS STONE** is taking an active part in the activities. He was chosen most popular boy. He is president of his class and is noted for his extraordinary ability in sports, lettering in football, basketball, and track. He was selected as a member of the All-District Football team.

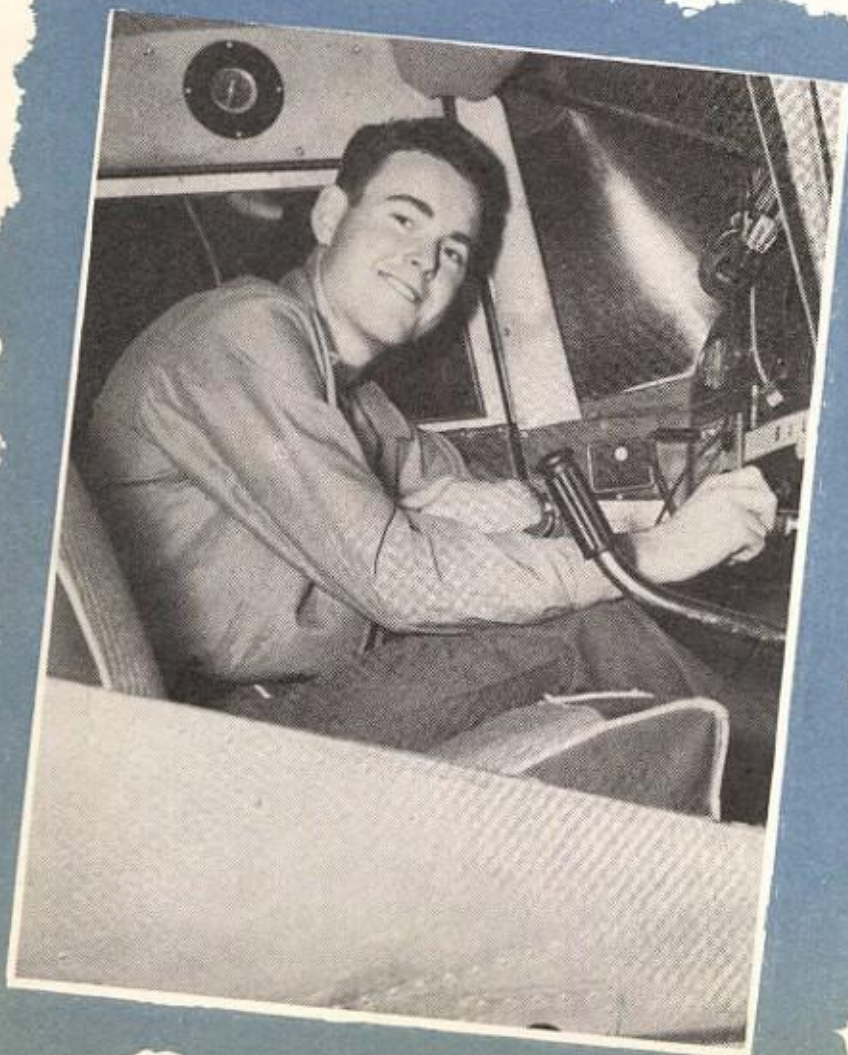

(Top) A familiar face around school is that of Tivy's most handsome boy, **CHARLES ARNECKE**. He displayed his athletic ability on the football field this year, and was selected for membership on the 14-AA All-District team. Charles is also an outstanding basketball player and has lettered in this sport for three years. He served his class as stage manager for "Tish".

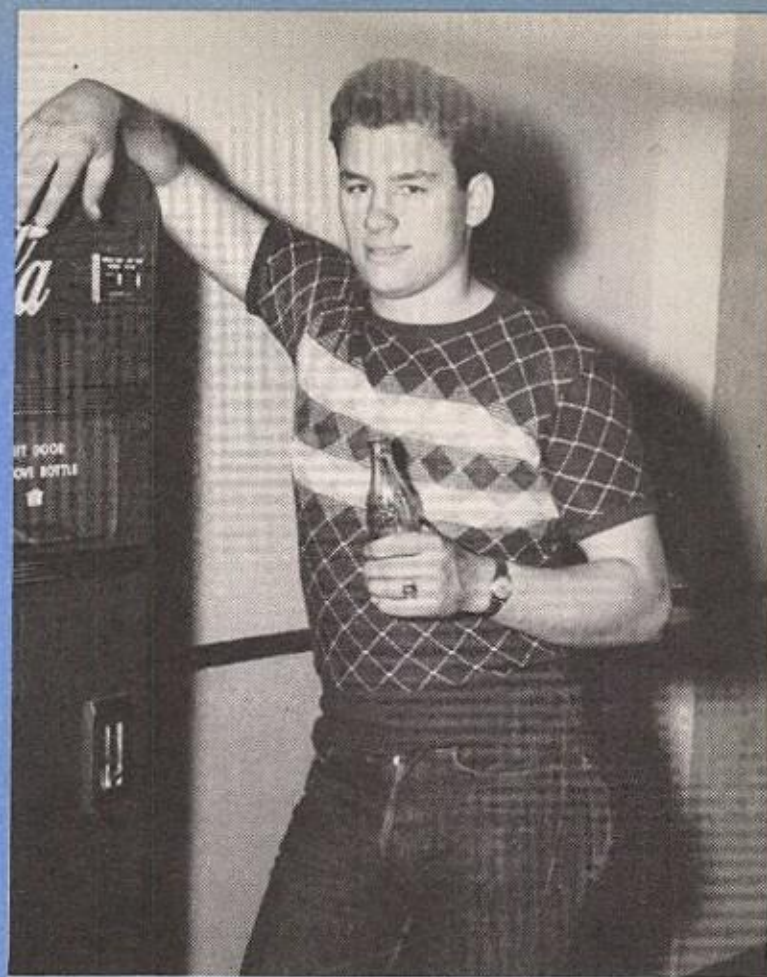

(Below right) It seems that everywhere one looks, one finds **MARILYN RANGER**. She is the treasurer of the N. H. S., secretary of the Senior class, corresponding secretary of the Student Council, Assistant Sergeant of the Antlerettes, a member of the G. A. A., and she has one letter in tennis. Marilyn worked hard as the prompter of "Tish". For all this participation Marilyn has earned a place in Who's Who.

(Below left) One of Tivy's outstanding students is **WAYNE SMITH**. He is photographer of the Antler Staff, treasurer of the Senior Class, vice-president of the N. H. S., and a member of the "T" Association. Wayne has one letter in football and was the business manager of "Tish".

(Top right) **BURLEIGH ARNECKE'S** versatility has made him a member of Who's Who. Burleigh is fire marshal, most popular Junior boy, a member of the cast of "Our Miss Brooks", and reporter of the "T" Association. Burleigh has two letters in football, and he was the only Junior to make the All-District team.

(Middle left) **MARTHA JO MURPHY**, a senior, is best known as editor of the Tatler and as head cheerleader. She was chosen by the F.F.A. boys to be their sweetheart. She is a member of the N.H.S. and G.A.A. Martha was also in the cast of "Tish".

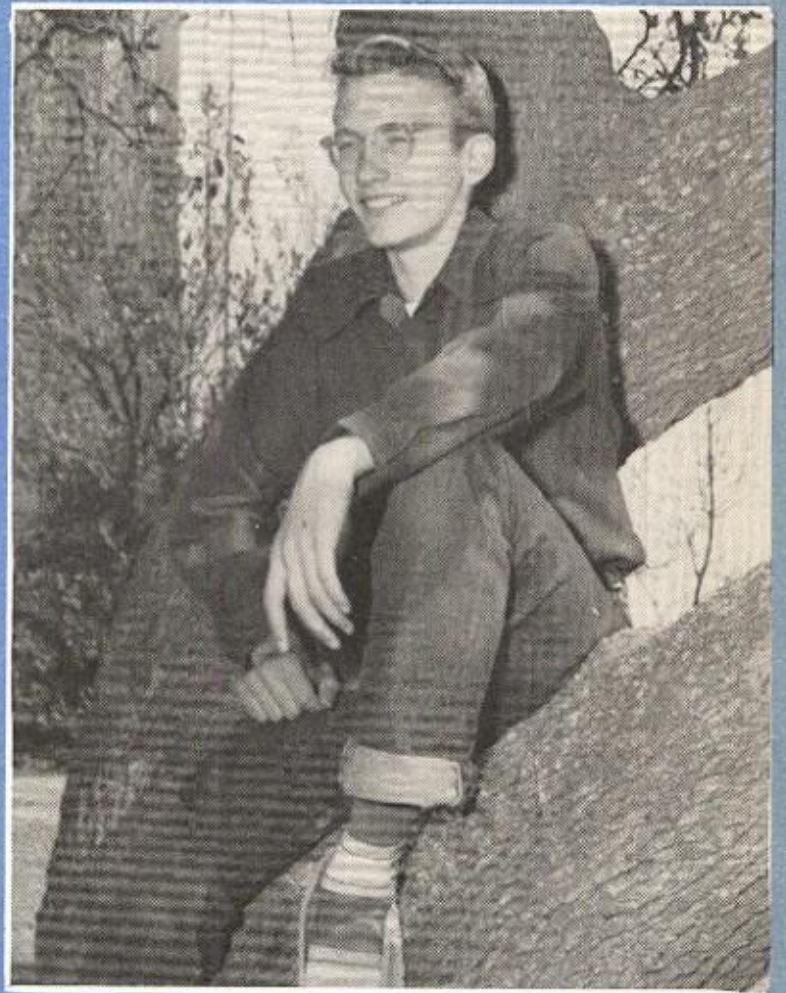

(Below right) **MARIJO LEHMANN** was chosen football queen this year. Her pleasant smile and pleasant personality are known to all of us. She is a member of the Antlerettes, Antler Staff, G.A.A., and has earned one letter in tennis. Marijo was also in the cast of "Tish".

(Top left) A very active senior is **ILA FAYE LEE**. She has the responsible jobs of business manager of the Antler and secretary of the Student Council. Ila Faye is the vice-president of the Antlerettes and a member of the G. A. A. For her participation in these events, Ila Faye has become a member of Who's Who.

(Right center) As vice-president of the Student Council, **WAYNE ARCHER** has a big responsibility. He also is assistant quartermaster of the band and art editor of this Antler. His role as the principal in "Our Miss Brooks" added greatly to the success of this production.

(Lower left) One of Tivy's most outstanding Juniors is **CAROLYN DIERTERT**. She is a member of the Tatler Staff, N. H. S., twirler for the band, and secretary-treasurer of her class. Also, she has received one letter in tennis. Carolyn was most popular Junior Girl, and has shown her acting ability by her role in "Our Miss Brooks".

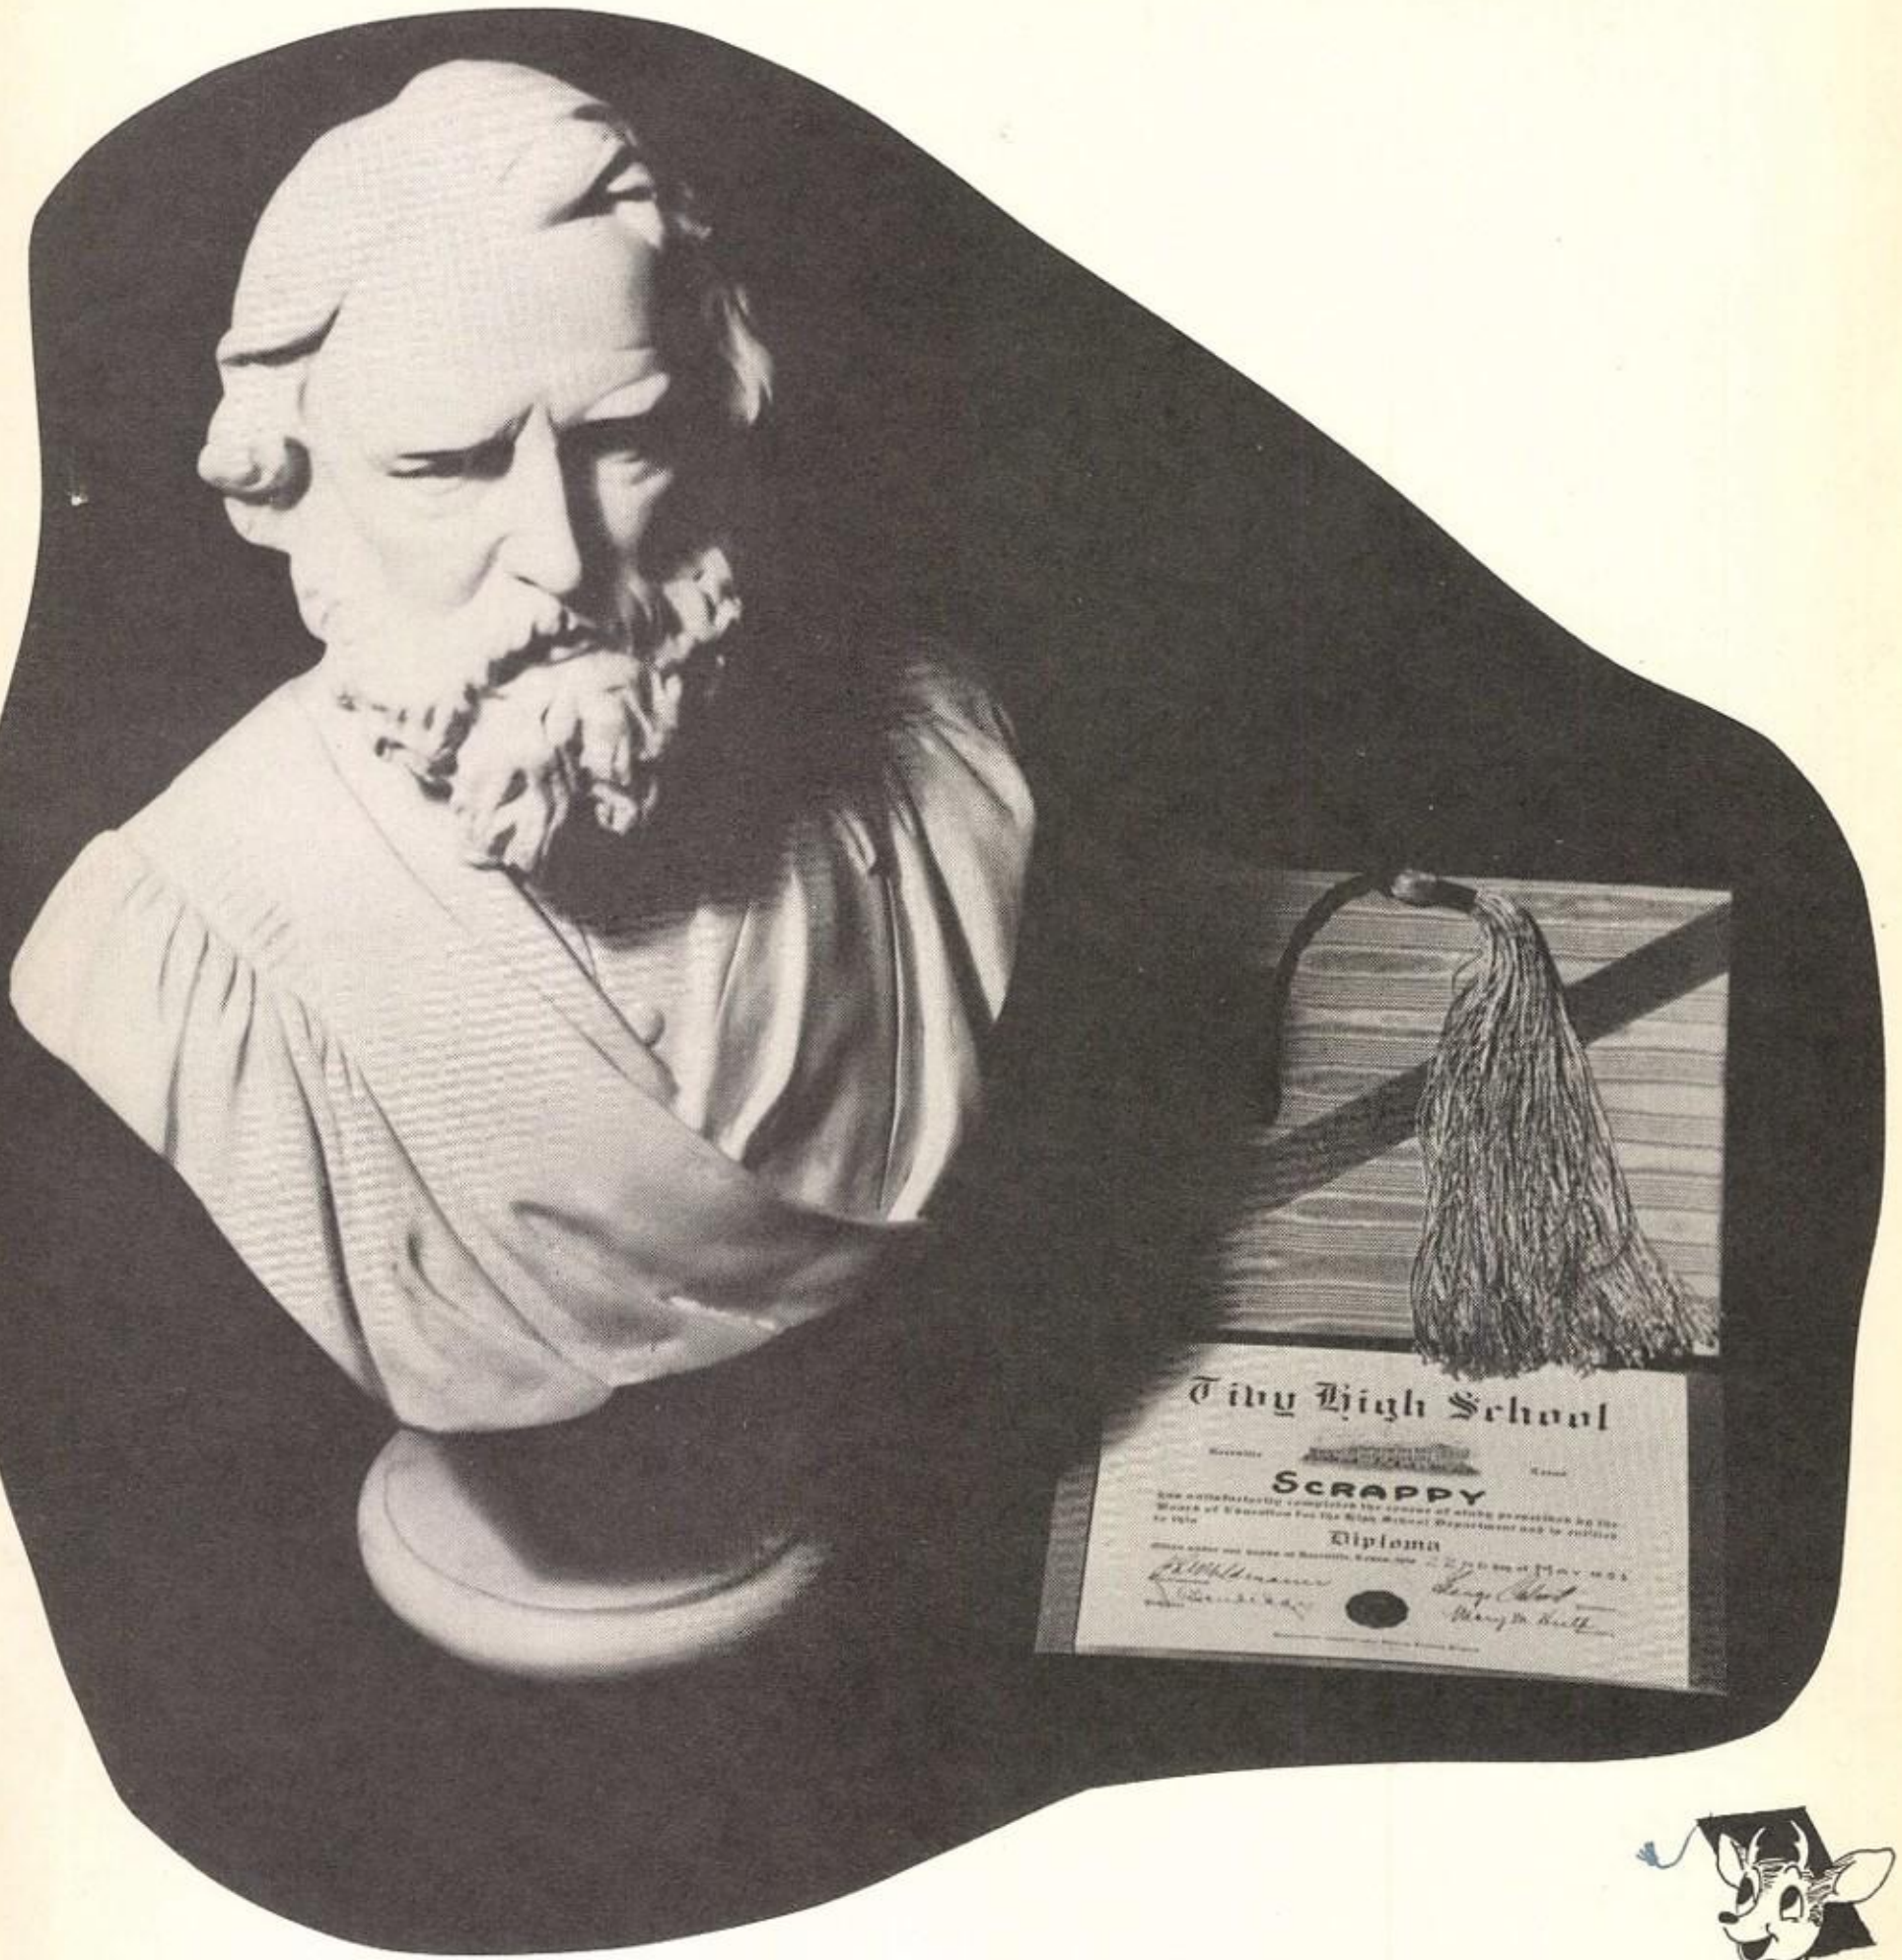

(Top left) **MARY NELL BRUNS** is a popular girl around Tivy. As well as having pep and vigor during football season, when she served as cheerleader, she also displayed her energy on the tennis court. She played the part of a teacher in "Our Miss Brooks". In addition, Mary Nell is secretary-treasurer of the G. A. A.

(Lower left) **JUNE KEIFER** has quite a job as business manager and treasurer of the Student Council. She is also a member of the band and G. A. A., and has earned a letter in tennis. As a member of the cast of "Our Miss Brooks", she displayed her acting ability. This versatility has entitled her to a place in Who's Who.

(Lower right) **KATIE HAMILTON** is well-known by her bright, smiling disposition. She is a member of the N. H. S., the G. A. A., flagbearer of the Antlerettes, and vice-president of the Junior class. In addition, she was a member of the cast of "Our Miss Brooks". In her spare time Katie enjoys tennis and has earned a letter in this sport.
